

UNIVERSITY OF BENIN BENIN CITY, NIGEIA

REPORT OF THE MEETING OF THE COUNCIL AUDIT COMMITTEE HELD ON MONDAY 16th AND THURSDAY 19TH OCTOBER, 2017 AT THE CONFERENCE ROOM, SENATE CHAMBERS, UGBOWO CAMPUS

1.0 PREAMBLE

Council would recall that at its 148th Regular Meeting held on Thursday 2nd February, 2017, the Council Audit Committee presented the report of its Inaugural Meeting. However, following the inauguration of the New Governing Council, the Council Audit Committee was reconstituted as follows:

(i) Mr. John Taiwo Aiyegbayo

 Council Member

 (ii) Prof. Richard Idubor

 Council Member

 Member

(iii) Prof. J. E. Osemwenkhae - Member Council Member

(iv) Dr. Baba Bila - Member University Bursar

(v) Dennis Aigbe - Member/Secretary Senior Assistant Registrar (CCM)

(vi) Mrs. F. A. Ogbeide - Co-opted Member Director of Audit

(vii) Prof. (Mrs.) A. D. A. Ighoroje - Co-opted Member Chairman, Anti-Corruption and Transparency Committee, Uniben

2.0 MEETINGS OF THE COMMITTEE

In order to realize its mandate, the Committee met on Monday 16th and Thursday 19th October, 2017 to reconsider:

- Its mode of operation in line with its terms of reference,
- the Audited Financial Report of the Centre of Excellence in Reproductive Health Innovation (CERHI) for the year ended 31st
 December, 2016 as prepared by the University External Auditors
- the management response to the report.

3.0 REQUIRED DOCUMENTS

The Committee reiterated that the following documents would be required for its assignment:

- (a) Audit report of the University External Auditor for the year 2016;
- (b) Management responses to the Audit report as presented by the University External Auditor;
- (c) The Audit report of the Centre of Excellence of Reproductive Health and Innovation (CERHI);
- (d) Management's response to the report
- (e) University Annual Budget;
- (f) University Budget Performance;

- (g) Audit letters and other relevant financial documents (from Internal Audit Department);
- (h) The number of units and relevant staff in the University Audit

 Department and their various schedules in the Internal Audit.

 Consequently, members highlighted the following Units that would assist in providing the needed information/documents for the Committee:
 - University Management
 - Bursary Department
 - Internal Audit
 - CERHI Project Management Committee
 - Procurement Unit
 - Physical Planning Division
 - Estate Department
 - Equipment and Maintenance Centre (VCO)

The Committee however, noted that the University's External Auditor had not concluded its report on the University's Financial Statement for the year 2016. Members noted in addition, that the delay was due to transfer from Cash Basis to Accrual Basis of Accounting. Members therefore, noted that the report would be forwarded to the Committee as soon as it is ready.

4.0 CONSIDERATION OF THE AUDITED REPORT OF CERHI FOR THE YEAR ENDED 31ST DECEMBER 2016

Members considered the above named report as prepared by the University External Auditor (Please, see Annexure I for the summary/notable highlights of the report)

4.1 Consideration of the matters arising from the report as prepared by the External Auditor/Management Reponses

1. Overstatement of Expenses

Weakness

Members noted that the external Auditor observed that in one of the Payment Vouchers (PVs) examined, the night allowance paid for four persons at the rate of 16, 000 naira per night which should have cost 192, 000 naira was stated at 240, 000 naira, an overstatement of 48, 000 naira.

Consequence

Members noted that based on the observation of the External Auditor, the Centre's liability was overstated, and that if checks were not made prior to payment, the centre would be paying out the scarce resources, thereby, not having enough to meet its set objectives.

Recommendation

The External Auditor therefore recommended that proper checks should be made before payment of any kind is effected.

Management's Comments

The Committee noted that based on Management's response, the amount which was stated as paid was a budgeted figure as the PV raised was an advance. The actual amount paid as shown in the retirement was N192, 000 for 5 persons as opposed to 4 persons initially budgeted for.

2. Non Current Assets

Weakness

The External Auditor observed that Furniture and Office Equipment were mixed together in the Assets Schedule.

Consequence

The two types of Assets belong to different classes and have different useful lives. Lumping them together creates problem of treatment in the Financial Statements

Recommendation

The External Auditor therefore, recommended that assets should be classified by type, and depreciated accordingly.

Management's Comments

Management noted the recommendation.

4.2 The Committee's observations/directive

After in-depth and critical consideration of the audited report and management comments, the Committee observed that there was no clarity on statement of expenses as raised by the External Auditor. Members specifically observed that the number of hights spent, the number of people involved as well as their statuses with which to determine their entitlements were not stated.

Consequently, the Committee directed that the above details should be provided by the CERHI Project Management Committee and forwarded to the External Auditor for correction.

5.0 CONCLUSION

The Committee expresses appreciation for the apportunity to serve and promises to continue to work assiduously to realize its mandate.

Mr. John Taiwo Aiyegiayo Council Member/Chairman
