4.0 ACTIVITIES OF STUDENTS ON CAMPUS

Senate received a report of the unruly and antagonistic activities of the President and Members of the Students Union Government against the University Management. In specific terms; they directed students not to pay school charges , flagrant abuse on the Deputy Vice Chancellor (Academic) by the SUG Attorney General; disobeying the content of the University of Benin Dress Code which had been mutually agreed upon by the University Management and Students Union Government. They were alleged also to have vowed to resist the University hosting the Edo State National Sports Festival by telling students not to vacate the Hall of Residents etc.

In line with the extant Rules and Regulations/Constitution Governing the conduct of students and relevant University Laws meant to inculcate discipline in students. Senate unanimously ratified the decision of the University Management to suspend the students Union Government (SUG) indefinitely. It was further noted that a Care-Taker Committee would be constituted on their return from the Easter Break.

5.0 A.O.B

COVID-19: A member advised that the sensitization on COVID-19 should continue in order not to endanger the entire community and there should be penalty for defaulters. He further said that it would not be enough to pass information on COVID-19 protocol but also to enforce compliance. He also observed that less than 10 percent of the students wear face mask. The Vice Chancellor in her response said that the Management has spent so much on the awareness creation on this issue and that penalty cannot be imposed because of the SUG. She commended Prof. E. E. Ugiagbe and his committee members for driving round the campus sensitizing the students on COVID-19 protocol. She also commended Prof. F. A. Aisien and his Committee members for their effort to monitor the on-going examination.

A member commended the Vice Chancellor for clearing the main gate from traffic mess. He also mentioned that the Management should beef up serious security on the Principal Officers and there would be need to be careful on the manner students use cars on campus.

The Vice Chancellor informed members of the demise of Prof. F. O. Otunta and a minute silence was observed in his honour.

ACCREDITATION EXERCISE

The Vice Chancellor informed members that accreditation exercise is on-going and that one group has concluded their assignment and the result was almost 100%.

ADJOURNMENT AND CLOSING:

A motion for the adjournment was moved by Prof. O. J. Abolagba, Department of Fisheries and seconded by Prof. D. Ogbeifun, Director, CRPU/ICT. The meeting ended at 1:09pm with a closing prayer said by Prof. Richard Idubor, Faculty of Law..
